++ Valid for broadcast between 1800 and 0600

Headline:
Rather cloudy and largely dry overnight.

This Evening and Tonight:
Rather cloudy this evening and overnight, with perhaps the odd spot of light rain and drizzle, mainly along the east coast. Largely dry elsewhere. Perhaps some clear spells in the far west and south. Mild underneath the cloud. Minimum temperature 12 deg C (54 deg F).

Tuesday:
A good deal of cloud for many on Tuesday, especially during the morning. Cloud should break to give some bright or sunny spells during the afternoon. Breezy along the coast. Maximum temperature 21 deg C (70 deg F).

Outlook for Wednesday to Friday:
Mainly fine and dry with variable cloud and some sunny spells. Pleasant in any sunshine, but cool underneath the cloud and along the coast, with onshore breeze.
